

Department 2 – Dairy Cattle

Josie Riser, Chairperson
 91 Whisler Road
 Gettysburg, PA 17325
 717-752-5406
 ljmriser@gmail.com

Health Rules:

See General Livestock information.

Entry fee: \$6.00 per animal.

1. All animals must have an official ear tag or an official legible breed registration tattoo.
2. No cattle showing clinical signs of contagious or infectious disease, including active ringworm, warts, lice and mange, will be admitted to any show.
3. Interstate animals exhibited at a Pennsylvania show or fair must meet Pennsylvania requirements, and must be accompanied by the Interstate Health Certificate to be eligible for entry. Must be tested for tuberculosis and brucellosis after April 1.
4. A Certificate of Veterinary Inspection (CVI) **issued after May 1 is required.** A current **rabies** vaccination administered by a licensed veterinarian is required for animals 3 months of age and older. The rabies information may be included on the CVI or a rabies vaccination certificate is acceptable. Market cattle are exempt from the rabies vaccination requirement.
5. An Animal Owner or Caretaker's Verification of Veterinarian-Client-Patient Relationship (VCPR) form must accompany each animal, and must be presented upon arrival at the Fair.
6. Entries deadline August 1 to department chairperson.
7. **No market animal may be dual entered as a breeding animal for any species.**

Vaccination Requirement:

1. All cattle must be accompanied by a health certificate, signed by an accredited veterinarian, which includes a statement that the animal(s) identified have been immunized against IBR, PI3, and BVD.
2. **Substitution may be made within one herd unit. All animals must be tested and housed under one farm unit.**
3. Animals that have never been vaccinated against BVD or have not been vaccinated against BVD during the previous 12 months, must receive one dose of modified live virus vaccine given at least 15 days and not more than 180 days before the show, or two doses of killed vaccine, two to four weeks apart, with the last dose given at least 15 days and not more than 180 days before the show.
4. Animals that have been vaccinated against BVD within the previous 12 months, must receive at least a single injection of modified live virus or killed vaccine given not less than 15 days and not more than 180 days before the show.
5. Hyperimmune serum may not be used as a substitute for the above vaccination requirement.
6. The date of the last live virus vaccination, or **the dates of the last two killed virus vaccinations must be recorded on the Health Certificate.**
7. No animals will be admitted to the show or fair unless these requirements have been met.
8. **The Dairy Entry Form can be found at the back of this book or on the Premium Book page on the web site at www.southmountainfair.com and must be returned to the Department 2 chairperson.**
